

ARTIFICIAL LIMBS MANUFACTURING CORPORATION OF INDIA
G.T. ROAD, KANPUR-209 217 (U.P.)

S. No	RECRUITMENT RULE FOR THE POST OF ASSEMBLER
1	Post Name : ASSEMBLER
2	Pay Scale & Grade : Rs.7010-15600/-, Group 'B'
3	Age limit : 30 yrs max.
4	Qualification : Certificate from a recognized ITI in Fitter trade.
5	Desirable : 1. Proficiency in Assembly and matching components by machine / hand tools. 2. Assembling products having intricate components & Hydraulic & pneumatic joints.
6	Experience : 02 Yrs in same trade.
7	Preferred : Candidates having NCVT/SCVT Certificate, Higher Qualification and Experience in the relevant field of manufacturing industry will be preferred.
8	Job Profile : Must have thorough knowledge and experience of 1. Reading engineering drawing, identifying and using all instruments normally used for fitting and measuring instruments like Vernier Calipers, Micrometer, Depth & height gauges etc. 2. Grinding chisels, drills, reamers, taps etc. 3. Making components to the required limits and fits for fitting jobs. 4. Making simple gauges and templates. 5. Operating various types of drill machines, deburring machine perfection in tool edge grinding, assembling components as per drawing. 6. Day to day tasks include fitting and assembling parts and sub-assemblies, shrink-fitting parts during assembly, manufacturing and repairing hydraulic and pneumatic equipment. 7. Inspecting machinery and making repairs erecting machinery and equipment on site.
9	Method of Selection : Written Test or Skill test or both
10	Mode of Selection : Direct Recruitment
11	Period of Probation : One Year, extendable

Note :

(i) Age relaxation as per Government Rules

(ii) No age and percentage bar for Departmental Candidates

G.T. ROAD, KANPUR-209 217 (U.P.)

S. No.	RECRUITMENT RULE FOR THE POST OF ASSEMBLER(HEARING AID)
1	Post Name : ASSEMBLER (ELECTRONICS)
2	Pay Scale & Grade : Rs.7010-15600/-, Group 'B'
3	Age limit : 30 yrs Max.
4	Qualification : Certificate from a recognized ITI in Electronics Mechanic /Mechanic Electronics Trade.
5	Desirable : 1. Proficiency in Assembly will be preferred. 2. Assembling products having intricate components.
6	Experience : 02 yrs in same trade.
7	Preferred : 1. Candidates having NCVT/SCVT Certificate and experience assembly/soldering of SMT Components its rework and operation CNC Machines shall be preferred. 2. Higher Qualification and experience in the relevant field of manufacturing industry will be preferred.
8	Job Profile : Must have thorough knowledge and experience of 1. Reading engineering dimensional drawing. 2. Identifying the components as per drawing/circuit diagrams/sketches. 3. Assembling the components as per drawing/circuit diagram. 4. Various types of hand tools including electrically operated and pneumatic tools for assembly work. 5. Solder loose connections and replace defective parts such as battery contacts, chips, amplifiers, microphones, wires, receivers, etc. using microscope and precision tools 6. Performs assembly-type functions in electronic assembly/manufacturing and repair work. Able to work with engraving machines and hand drills.
9	Method of Selection : Written Test or Skill test or both
10	Mode of Selection : Direct Recruitment
11	Period of Probation : One Year, extendable

Note :

(i) Age relaxation as per Government Rules

(ii) No age and percentage bar for Departmental Candidates

S. No. RECRUITMENT RULE FOR THE POST OF TURNER

- 1 Post Name : TURNER
- 2 Pay Scale & Grade : Rs.7010-15600/-, Group 'B'
- 3 Age limit : 30 yrs max.
- 4 Qualification : Certificate from a recognized ITI in Turner trade.
- 5 Desirable : Setting and operating similar machines like capstan, traub and turret lathes etc will be preferred.
- 6 Experience : 02 yrs in same trade
- 7 Preferred : (i) Candidates having higher education and NCVT/SCVT Certificate.
(ii) Experience of Operation of CNC Turning Centre/Traub.
- 8 Job Profile : Must have thorough knowledge and experience of
 1. Feed, speed and coolant and experience of materials.
 2. Various components and accessories of lathe, traub, capstan, turret machine and their function.
 3. Cutting of threads (internal & external)
 4. Internal and external taper turning
 5. Taking measurements by using Vernier Calipers, internal and external Calipers, engineering squares, scribes, micrometers, dial indicator, thread pitch gauges, etc.
 6. Reading engineering dimensional drawings.
 7. Maintains specifications by observing drilling, grooving, and cutting, including turning, facing, Knurling and thread cutting operations.
 8. Detecting malfunctions, troubleshooting processes, adjusting and reprogramming controls, sharpening and replacing worn tools, adhering to quality assurance procedures and processes.
- 9 Method of Selection : Written Test or Skill test or both
- 10 Mode of Selection : Direct Recruitment
- 11 Period of Probation : One Year, extendable

Note :

- (i) Age relaxation as per Government Rules

S. No.	RECRUITMENT RULE FOR THE POST OF ELECTROPLATER	
1	Post Name	: ELECTROPLATER
2	Pay Scale & Grade	: Rs.7010-15600/- Group 'B'
3	Age limit	: 30 yrs max.
4	Qualification	: Certificate from a recognized ITI in ELECTROPLATER Trade.
5	Desirable	: 1. Making wiring diagrams of circuits for electro-cleaning, electro stripping and electro deposition including methods of wiring to obtain reverse current conditions. 2. Working in Electro deposition plant including rectifiers, motors generators, accumulators, switch boards and vats etc.
6	Experience	: 02 yrs in same trade.
7	Preferred	: Preference will be given to those :- 1. Candidates having higher education and NCVT/SCVT Certificate. 2. Carrying out shop tests for nickel, chromium and copper solutions. 3. Carrying out anodizing and other types of metal deposition on various metals.
	Job Profile	: Must have through knowledge and experience of 1. All measuring instruments encountered in electroplating and anodizing such as micrometers, calipers, thermometers, hydrometers, ph indicators etc. 2. Various processes involved for electroplating and anodizing such as degreasing, cleaning, etching and preparing the component for electro depositing. 3. Carrying out electro depositing of nickel and chromium for decoration, declamatory or wear resistance purposes. 4. Preparing solutions for electro deposition. 5. Storage of chemicals to prevent deterioration. 6. Understand the control of temperature in plating solution and be able to convert readings on the Fahrenheit and centigrade scale of temperature and vice versa. 7. Elementary mensuration involving calculation of areas and volumes of cylinders, spheres etc. 8. Know the safety precautions to be taken in dealing with chemicals and chemical solutions. 9. Immerses work pieces in series of cleaning, plating, 10. pickling, and rinsing tanks, following timed cycle, manually or using hoist.
9	Method of Selection	: Written Test or Skill test or both
10	Mode of Selection	: Direct Recruitment
11	Period of Probation	: One Year, extendable

Note :

(i) Age relaxation as per Government Rules

(ii) No age and percentage bar for Departmental Candidates

1	Post Name : Saw Mill Operator
2	Pay Scale & Grade : Rs.7010-15600/-, Group 'B'
3	Age limit : 30 yrs max
4	Qualification : Certificate from a recognized ITI in Saw Machine Operator trade.
5	Desirable : Operating multi-spindle copy milling machine & external carving machine.
6	Experience : 02 yrs in same trade.
7	Preferred : 1. Candidates having higher education and NCVT/SCVT Certificate. 2. Knowledge of seasoning of various types of wood.
8	Job Profile : Must have thorough knowledge and experience of 1. Operating various types of metal sawing machines. 2. Reading dimensional sketches. 3. Operating all cut machine for cutting irregular shapes, 4. Sharpening and resetting the blade of all-out machine. 5. Sets up and operates power saws to cut, slot, groove, miter, and trim metallic and nonmetallic work pieces according to specifications: Selects and installs blade on machine, using hand tools. Sets controls to adjust speed, feed rate, and blade tensions. Positions guides, stops, holding blocks, or other fixtures to secure and direct work piece, using hand tools and measuring devices. Scribes reference lines on material as guide for sawing operations, according to blueprints, templates, sample parts, or specifications. Mounts work piece in holding device, manually or using hoist. Operates saw to cut along scribed lines. Verifies dimensions of finished work piece, using measuring devices. May also weld and anneal saw blades.
9	Method of Selection : Written Test or Skill test or both
10	Mode of Selection : Direct Recruitment
11	Period of Probation : One Year, extendable
