INSTRUCTION FOR ONLINE BID SUBMISSION

The bidders are required to submit soft copies of their bids electronically on the Central Public Procurement (CPP) Portal i.e. <http://eprocure.gov.in/eprocure/app>, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

REGISTRATION

- (i) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL:<https://eprocure.gov.in/eprocure/app>) by clicking on the link “Online Bidder Enrollment” option available on the home page. **Enrolment on the CPP Portal is free of charge.**
- (ii) During enrolment/registration, the bidders should provide the correct/true information including valid email-id & mobile no. All the correspondence shall be made directly with the contractors/ bidders through email-id provided.
- (iii) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- (iv) For e-tendering possession of valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) is mandatory which can be obtained from SIFY /nCode/eMudra or any Certifying Authority recognized by CCA India on eToken/ Smart Card.
- (v) Upon enrolment on CPP Portal for e-tendering, the bidders shall register their valid Digital Signature Certificate with their profile.
- (vi) Only one valid DSC should be registered by a bidder. Bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse and should ensure safety of the same.
- (vii) Bidders can then log into the site through the secured login by entering their user ID/ password and the password of the DSC/ e Token.

SEARCHING FOR SHORT TERM TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords, etc., to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS:

- (i) For preparation of bid Bidders shall search the tender from published tender list available on site and download the complete tender document and should take into account corrigendum if any published before submitting their bids.
After selecting the tender document same shall be moved to the 'My favorite' folder of bidders account from where bidder can view all the details of the tender document.
- (ii) Bidder shall go through the tender document carefully to understand the documents required to be submitted as part of the bid. Bidders shall note the number of covers in which the bid documents have to be submitted, the number of documents – including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- (iii) Any pre-bid clarifications if required, then same may be obtained online through the tender site, or through the contact details given in the tender document.
- (iv) Bidders should get ready in advance the bid documents in the required format (PDF/xls/rar/dwf/jpg formats) to be submitted as indicated in the tender document/schedule. **Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.**
- (v) Bidders can update well in advance, the documents such as experience certificates, annual report, PAN, EPF & other details etc., under "My Space/ Other Important Document" option, which can be submitted as per tender requirements. This will facilitate the bid submission process faster by reducing upload time of bids.

SUBMISSION OF BIDS:

- (i) Bidder should log into the site well in advance for bid submission so that he/ she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- (ii) Bidder should prepare the EMD as per the instructions specified in the NIT/ tender document. The details of the DD/BC/BG/ others physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- (iii) While submitting the bids online, the bidder shall read the terms & conditions (of CPP portal) and accepts the same in order to proceed further to submit their bid.
- (iv) Bidders shall select the payment option as offline to pay the Tender Fee/ EMD and enter details of the DD/BC/BG/others.
- (v) Bidder shall digitally sign and upload the required bid documents one by one as indicated in the tender document.
- (vi) Bidders shall note that the very act of using DSC for downloading the tender document and uploading their offers is deemed to be a confirmation that they have read all sections and pages of the tender document without any exception and have understood the complete tender document and are clear about the requirements of the tender document.

::4::

(vii) Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document. For the file size of less than 1 MB, the transaction uploading time will be very fast.

(viii) **If price quotes are required in XLS format, utmost care shall be taken for uploading Schedule of quantities & Prices and any change/ modification of the price schedule shall render it unfit for bidding.**

Bidders shall download the Schedule of Quantities & Prices i.e. Schedule-A, in XLS format and save it without changing the name of the file. Bidder shall quote their rate in figures in the appropriate cells, thereafter save and upload the file in financial bid cover (Price bid) only.

If the template of Schedule of Quantities & Prices file is found to be modified/ corrupted in the eventuality by the bidder, the bid will be rejected.

The bidders are cautioned that uploading of financial bid elsewhere i.e. other than in cover 2 will result in rejection of the tender.

Bidders shall submit their bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission end date & time (as per Server System Clock). **The TIA will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders at the eleventh hour.**

(viii) After the bid submission (i.e. after Clicking “Freeze Bid Submission” in the portal), the bidders shall **take print out of system generated acknowledgement** number, and keep it as a record of evidence for online submission of bid, which will also act as an entry pass to participate in the bid opening.

(ix) Bidders should follow the server time being displayed on bidder’s dashboard at the top of the tender site, which shall be considered valid for all actions of requesting, bid submission, bid opening etc., in the e-tender system.

(x) All the documents being submitted by the bidders would be encrypted using PKI (Public Key Infrastructure) encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology.

T-3 Description and Scope of the Short Term Tender

- T-3.1 Brief Requirement has been spelt out in T-2 above.
- T-3.2 The material is required to be loaded from factory premises to the destination without any transshipment. Loading, unloading, stacking and obtaining acknowledgement of material in prescribed format shall be the responsibility of transporter.
- T-3.3 The loading & unloading of cargo is the responsibility of transporter and no unloading charge/labor assistance shall be demanded from the consignee or his representative.
- T-3.4 In case of written report of refusal of unloading the transporter or demand for payment of the unloading charges from the consignee, penal deduction of Rs. 1000/-(Rupees one thousand only) shall be made from the bills of the transport agency. In case of delivery of material in damaged/broken/deteriorated condition, the Corporation may impose suitable penal deduction up to a maximum of the cost of the items based on the assessment of the receipted goods at the consignee end. The transporter shall also be required to send sufficient labor in their trucks for loading/unloading the materials at the warehouse of ALIMCO so as to stack the packed items orderly in the trucks securing them for safe arrival at destination. The Tricycle Frames are to be necessarily stacked one above the other fastening the two with sutli/ plastic tie-cord. Cost towards secured loading & unloading shall be deemed to have been included in the quoted rates.
- T.3.5 No additional expenditure on any account shall be paid to the transporter other than the approved rates.
- T-3.6 The consignment shall be delivered by the transporter at the consignee address at the specified destination on door delivery basis during the office hours i.e. 10.00 hours to 17:00 hours.
- a) **ALIMCO expects delivery of its material by the transporter to the consignee within a reasonable period specified in transport contract with out transshipment. The reasonable period on any destination would be arrived at on basis on minimum distance of 250. to be covered by the truck in a day excluding the day of loading at Bangalore and the unloading at consignee's end along with weekly and public holiday. Delayed delivery shall not be tolerated by ALIMCO and Corporation reserves the right to deduct @ Rs. 1000/- per delayed day or part thereof for full truck load dispatches for the first four days followed by a deduction of Rs. 1500/- per delayed day or part thereof for the balance of days.**

The reasonable number of days for transit will be calculated by ALIMCO round of to next whole number (for example 4.1 to 4.99 days will be considered as 5 days) on the basis lowest KM showing in Google map and subsequently approved by Marketing dept, ALIMCO, Bangalore. In case there is detention at the consignee end for any reason, the transporter is required to intimate ALIMCO, Bangalore immediately over telephone/email/fax and follow it with written confirmation by fax/email//Courier the next day. Information in this regard must contain the GR. No., Invoice No., destination, Date/time of arrival at consignee's place, person name and details(who was contacted etc.) along with phone Nos. of the driver of the truck and the person of the consignee to enable ALIMCO to peruse the matter further.

- T-3.7 The transporter shall be responsible for obtaining the receipt of material from the consignee. In case the same is not given within 45 days from the date of lifting, the execution of the contract would be presumed not to have been executed and pending payment shall be recoverable from the transporter.
- T-3.8 Transporters shall ensure that the vehicles entering the corporation's premises should have a valid pollution control certificates and other legal documents. The transporters shall be responsible for obtaining permits etc. whenever necessary for inter-state entry free passage.
- T-3.9 The Corporation does not guarantee any specific volume of work at any time during the agreement. The agreement does not confer any right on the transporter to demand that entire work should necessarily or exclusively be entrusted to him. ALIMCO reserves the right to appoint one or more transporters and distribute the work amongst them during the currency of the agreement and no claim for compensation shall lie against the corporation on account of such division of work. No transporter can demand division of work but ALIMCO may empanel/award more than one transporter at L-1 rates so that the movement of goods is not hampered because of non-availability of trucks.
- T-3.10 ALIMCO expects that the transporters shall place their trucks for loading (with valid registration and road permit only) latest by 11 am of the day in fit condition. ALIMCO reserves the right to check the validity of transport permit and other documents as deemed fit. In case the truck is not found suitable, the same shall be returned and no extra charges for such return shall be paid.

T-4 Force Majeure

- T-4.1 In the event that the Supplier or any of its subcontractors, or the purchaser is delayed in performing any of its respective obligations under the contract, and such delay is caused by Force Majeure, including but not limited to war, civil insurrection, fires, floods, epidemics, earthquakes, quarantine restriction and freight embargoes, such delay may be excused and the period of such delay may be added to the time and performance of the obligation delayed. If a Force Majeure arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the Supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

::12::

T-5 **SUBLETTING OF WORK:** Under no circumstances, the transporter after entering into rate contract would be permitted to arrange transportation of consignment through another transporter/ agencies.

T-6 **TRANSHIPMENT:**

T-6.1 No transshipment is allowed in between the destinations. For any reason such as breakdown, accident etc. if the truck is stranded beyond reasonable limits, the transporter should make alternative arrangements and the transporter may seek approval from the corporation giving the circumstances in writing. Similarly there should be no extra material loading in the vehicle other than the consignment loaded from the corporation. The truck loaded by the consignor and received by the consignee shall be the same. In case of any transshipment noticed either way of direct means or indirect means i.e. reporting of the same vehicle within the earlier transit period, which is not accepted by the corporation penalty shall be twice transportation charges. Such penalty shall be recovered from either the pending Bills, failing which from the Security Deposit.

T-6.2 The trucks loaded with ALIMCO materials must be covered with good quality undamaged tarpaulin and tied properly before it leaves the Corporation Premises. No trucks shall be permitted to leave the Corporation premises without completing the work related to tarpaulin cover and tie up in secured manner. The truck deviating the prescribed arrangement shall be detained in ALIMCO premises without payment of any detention charges and transporter shall be levied with penalty of Rs. 300/-.

T-6.3 L-1 is required to supply the trucks for allotted destinations. In the event of failure by the L-1 transporter to provide the truck within the given time ALIMCO reserves the right to get the material transported through the L-2/L-3/L-4/L-5 tenderer or even from open market at primarily L-1 rate or at their or market rate for the same destination. In case transportation executed by either agency it will be at the risk and cost of the L-1 transporter.

T-7 **RATES FOR TRANSPORTATION WORK AND VALIDITY**

T-7.1 The rates quoted shall be inclusive of loading charges at Bangalore and unloading and stacking at consignee's place. The rates quoted shall not include the GST Amount since **GST will be deposited separately by the corporation under reverse charge as is required to be done in the GST applicable on Goods Transport agency.** All other documentation charges/incidental expenses shall be deemed to have been considered and included in the rates quoted.

Contd...13

T-7.2 The rates shall be paid for the type of truck requisitioned irrespective of whatever the transporter has placed, may be due to non availability of the requisitioned size.

T-8 **PRODUCTS TO BE DISPATCHED AND OTHER PACKING**

All these have to go as sets in full truck load.

b) WHEELCHAIRS

Folding types of chairs can be kept packed in corrugated cartons in the truck to fill capacity for bulky dispatches .

T-9 **TRANSIT DAMAGE / LOSESS:** Transporters are required to take utmost care to deliver the goods to the consignee without any damage / shortage or losses. Neither they shall make deliveries in parts nor “not deliver” the consignment. In the event of any reported damage /shortage/losses/nor-delivery of the consignment, ALIMCO shall recover the cost towards such damages / shortage/losses/ non-delivery from the transporters pending bill/ credit balance or security deposit or from any other sum, which is due to them irrespective of any insurance link up/settlement. However, ALIMCO shall cover the goods under marine transit insurance against its Open Marine Policy. Wherever, claims partly settled / not settled by Insurance, the same will be recovered from transporter. For claiming the damage / shortage loss, the necessary documents are to be provided by transporter only.

Contd...14/-

::14::

T-10 **TRANSPORTATION OF ANY OTHER MATERIALS:** Trucks/Vehicles loaded with ALIMCO materials should not carry materials belonging to any other party including the transporter. In the event of breach of trust in respect of this aspect of the contract, ALIMCO reserves the right to short close the contract forfeiting the Security Deposit, blacklisting the transporter and levy a penalty of double the freight charges.

T-11 **ROAD ACCIDENT:** In the event of an accident en route, the transporter shall be required to keep ALIMCO informed in writing on immediate priority. They also report at the nearest Police Station and make then pachnama and also arrange for survey by an approved surveyor of insurance company. Proof of such accident including photographs and copies of the FIR /Pachnama etc. should be handed over at ALIMCO as documentary evidence within two weeks of the incident. However, it shall be the responsibility of the transporter to take all precautions and preventive measures including retrieval action to save the cargo from getting damaged. As transshipment is not permitted, ALIMCO reserves the right to deduct any amount towards losses due to transshipment and also reserves the right to penalize the transporter by affecting deductions up to the extent of cost/implication of damages from the existing/future bills other forms of securities held by the Corporation.

In case of trucks carrying ALIMCO goods meet road accident en route, the following procedure should be followed:-
