**Web: <https://www.alimco.in/>**

Expression of Interest (EoI) is invited from the budding entrepreneurs to apply to Artificial Limbs Manufacturing Corporation(ALIMCO) at Kanpur & Faridabad Centre for Tech Startups in Rehabilitation Aids & Assistive Technology. We aim to focus on incubation support to innovative start-ups and are open to exploring ideas in the fields of Rehabilitation Aids & Assistive Technology and will be glad to evaluate your business plan.

## 1. Introduction:

Artificial Limbs Manufacturing Corporation of India (ALIMCO) is a Schedule 'C', Mini-Ratna Category II Central Public Sector Enterprise working under the aegis of Department of Empowerment of Persons with Disabilities, Ministry of Social Justice & Empowerment, Government of India. It was incorporated on 30.11.1972 registered under Section 25, Sub-section 1 clause (a) of the Companies' Act, 1956 (now Section 8 of Companies' Act, 2013) as a company formulated with charitable objects.

Entrepreneurship in India is on the verge of explosive growth specifically in millennium cities like Kanpur & Faridabad. This throws new opportunities for the eco-system to take shape. Angel investors, venture capital, media, startup clubs, service providers, mentors and training companies are going to grow in the near future. An incubator (the place where startups are born) established with an aim to develop an ecosystem which aids such a growth can do wonders specifically in a city like Kanpur & Faridabad.

Under the of *Startup India* mission of GoI, ALIMCO with an aim to boost entrepreneurship and skill to startup eco-system at the grassroots level

To take the mission further ALIMCO is in the process of *Setting up a Centre of Excellence (CoE) to Incubate Startups in the field of Rehabilitation Aids & Assistive Technology under ALIMCO at Kanpur & Faridabad Centre*

The purpose for establishing such a center of Excellence (CoE) is to help entrepreneurs with state of art facilities such as Plug and play space, power backup, 24x7 security, high speed

internet connectivity, conference space, event space etc. and do it's bit to generate revenue as well as employment in the state.

The CoE will not only act as a incubator for talented startups but also as a skill development platform to build entrepreneurial spirit & talent in the state through entrepreneurial education. CoE will help to create a micro-ecosystem where startup can work together, share their learning, experiences and best practices with each other.

CoE will also help access to deep and wide-reaching network of investors, mentors, industry experts, and enterprises, which the startups can leverage to fast-track their growth and advancement. The Steering Committee, members for the selection of Startups has a diverse background within the startup ecosystem and will provide expert guidance and unparalleled networking opportunities to accelerate.

Under this initiative of ALIMCO intends to invite applications from tech Startups in Rehabilitation Aids & Assistive Technology for incubation at Faridabad & Kanpur Center.

Application form will be shared for Interested Startups.

The duly filled form as per Annexure-1 along with requisite documents and hard copy of the presentation may be submitted to

## 6. **Eligibility Conditions for Incubates Startups for fund support**

- 6.1 Incubates should be a registered company with minimum of Six months of operations
- 6.2 The Tech Startups/Incubates has to be an India-registered enterprise. This support is not meant for Indian Subsidiaries of MNCs/foreign companies. Persons holding Overseas Citizens of India (OCI), Persons of Indian Origin (PIO) status would be considered as Indian citizens for the purpose of this scheme. The shareholding of Indian Promoter / Host Institutions in the incubate start up should be at least 51%.
- 6.3 It is expected that Tech Startups/Incubates would make special efforts to discover and support enterprises that deploy assistive technologies or business models to help solve India's rehabilitation aids and service delivery, or socio-economic challenges.
- 6.4 Incubates startups requiring fund support predominantly for capital equipment should not be encouraged. The start-ups would be supported primarily on the following grounds for the fund support
- 6.5 Prototyping and Product development
- 6.6 Testing and Trials
- 6.7 Test Marketing
- 6.8 Professional Consultancy (To attract professors/experts from institutions to work with start-ups.)
- 6.9 Any other area as deemed necessary and recommended by the ALIMCO.

## 7. **Funding Support:** -

7.1 Successful applicants would be provided financial support up to Rs 25 Lakh to the Tech Startups/Incubates for a maximum period of 2 years for the successful implementation of the project. The exact amount shall be decided by ALIMCO based on the application and business plan etc. ALIMCO reserves the right to modify the scheme as and when required, without prior notification.

7.2 Each applicant must create a new bank account for the purpose of holding, spending or disbursing funds for the project approved. It is clarified that the Tech Startups/Incubates will open a separate and exclusive bank account and also maintain a separate book of accounts for receiving the fund support by ALIMCO, for setting up and running the incubation facilities. The interest earned should be reported to ALIMCO and returned to the ALIMCO each year.

7.3 Key aspects of funding to Tech Startups/Incubates: -

7.3.1 TECH STARTUPS/INCUBATESs would be provided a Grant-in-aid of up to 50% of the total eligible project cost, subject to a maximum of up to Rs. 25 Lakh. The rest of the project cost will be borne by funds that the applicant itself is providing, directly from its own bank account/s. It is further clarified that the funds brought in by the applicant shall be independent of and in addition to fund received from ALIMCO.

7.3.2 Costs mentioned as below shall not be considered as eligible project costs.:-

7.3.2.1 Purchase of vehicles.

7.3.2.2 Cost of hiring any external agency/consultant for conducting whole or part of the Tech Startups/Incubates operations.

7.3.2.3 Cost of any fee paid to any external agency/individual(s) for the preparation of the application for Tech Startups/Incubates

7.3.2.4 Monetization of any notional or opportunity cost.

- 7.4 The fund will be released in a phased manner as per the budget plan submitted by the applicant and approved by the ALIMCO. The fund shall be released only after the applicant provides proof of having a full-time and qualified CEO
- 7.5 Budget Guidelines:
- 7.5.1 Expenditure on office furnishings, administration, utility and maintenance, and office expenses should be kept to a minimum.
- 7.5.2 The larger part of the grant-in-aid should be spent on the core operation activities for fulfilling the approved project objectives.
- 7.5.3 Tech Startups/Incubates will be required to submit audited statement of accounts and the Utilization Certificates (UCs) of the fund every six months from the time of receiving the fund and as well as at the time of seeking further instalments of the fund, if any. Tech Startups/Incubates will also be required to submit a quarterly progress report to ALIMCO. The proforma of the UC is attached as Annexure 2 to this document.
- 7.5.4 ALIMCO will have the ongoing right to get a financial audit done for the applicant, if required, as frequently as it considers suitable.
- 7.6 The applicant is strongly encouraged to make the Tech Startups/Incubates self-sustainable in a period of two years and it should clearly reflect in the proposed budget submitted by the applicant.
- 7.7 The applicant can apply for scale up support at the end of the program subject to fulfilling the objectives and targets and based on the performance of the Tech Startups/Incubates through a separate proposal. Such support will only be granted by ALIMCO at its sole discretion.

## **8. GENERAL CONDITIONS:**
